All performances will last 45mins with 15min break in between performances.

Please note all performances will be completely acoustic (no microphones or amplification) and lit using solar charged batteries of candlelight.

Many of the evenings performances will also be recorded live.

Wristband tickets Must be worn to the Festival. No Wristband no entry. Do not wear wristband too tightly.

The Venues Please be aware of other patrons and performers.

Please be mindful of your personal noise levels.

Due to safety and quality concerns venues will be closed when

at audience capacity. If you arrive at a venue and see a **Venue Full Sign**, please respect our concerns and enjoy another act at another venue.

Seating There will be limited seating at the Ballarat Art Gallery venues. Please feel free to bring a small folding chair if need be and use them in a considerate manner.

Exiting and entering venues All venues are within little over 5mins walking distance of each other. If you arrive late to a venue where the performance has commenced we also ask you enter quietly and respectfully.

Lighting All the venues will have low lighting. If you have any concerns due to visual impairment please feel free to bring a small torch to be turned off during performances.

Mobile phones MUST be turned off or silent during performances. Please be extremely mind full of this. *May we humbly go as far to suggest you leave them at home for the evening?*

Disabled access All venues have access for disabled patrons. Please be aware the laneway to 32E Doveton St The Basement Studios is cobbled bluestone.

Toilets All venues will have toilets available for patron use. Please consider the environment and print this information only if completely necessary

Thank you! Enjoy the Festival.
